

# How to build a resume

A guide in creating a CV that can help you  
land your first internship

# Welcome to the workforce!

---

A resume or CV (Curriculum Vitae) is your ticket to the world of work. This crucial document showcases your skills, strengths, qualifications, and experience to potential employers during the internship application process.

This resume builder was created to represent you in the best light possible. The pre-made design is simple and professional, and it is optimized for Applicant Tracking Software (ATS).

Tips, prompts, and features will guide your writing so that your past achievements and future potential stand out. Let's get started!

Follow best  
practices for each  
section of your  
resume.
